

BEST PRACTICES FOR ANTI SHARK FINNING POLICY

26th February 2009 and amended on 30th November 2022

In compliance with ISSF conservation measure 3.1

Prohibition of Transactions with Companies without a Public Policy Prohibiting Shark Finning

Cantábrica de Túnidos S.A., Gestra Corporation y Oakcity tuna fishing corporation, S.A.U.,

Does not permit aboard its vessels the practice of shark finning, which is defined as the removal and retention of any shark fins while discarding the remainder of the shark at sea and requires that all shark are, if retained, stored and landed with fins naturally attached.

This statement is visibly onboard every fishing vessel of the fleet, in all languages commonly spoken onboard.

This policy was adopted on 26th February 2009 and amended on 30th November 2022
